Subject: Re: Trump National - Landscape Plans for community review

---

Hi Jill,

Thank you for sending the Lot D landscaping plan for our review at Tract 16540.

Do you or the City have a schedule constraint as to when we need to respond?

I do not expect this will take a long time, but for example, I will be on vacation the first 2 weeks of August and I am sure others have vacation plans as well.

Please advise.

David

Pursuant to the conditions of approval for the Trump National Development, we are providing our proposed landscaping plan for Lot "D" (the lot adjacent to the Portuguese Bend Club) to you as a representative of the homeowner's association. We have designed this plan in compliance with the plant list required by the California Coastal Commission, have been mindful of protecting views and maintaining a visually appealing area of land next to your community, and have tried to preserve the existing landscaping along the lot lines. We hope that this plan is satisfactory to the homeowners, but if the community has any concerns we are happy to discuss them. Once you have had a chance to review, please do not hesitate to reach out to me as I would be happy to discuss the plan with you.
